We have added 7 new breeds to our list for 2020 and have a couple breeds returning for the first time in several years. The unique breeds will have a slightly higher price. Some are available only as STRAIGHT RUN, meaning they are not sexed at the hatchery.

Roosters are available for every date. They aren't on the list simply to conserve space.

You may reserve chicks by phone, e-mail ([turnersfeed@bellsouth.net](mailto:turnersfeed@bellsouth.net)), or in person. Be sure to leave a phone number. You will be contacted upon arrival. If there is no answer, WE WILL LEAVE A VOICE MAIL. Please check your voice mail. **We will call only 1 time.** Chicks not picked up within 48 hours will be SOLD on a first come/first served basis. We do not sex the birds ourselves. Our hatchery is 90-95% efficient. We are not responsible for delays in hatching.
